

## DEPARTMENT OF PRASUTI AND STREEROG

GS ayurved medical college and hospital is playing a leading role in Pilkhuwa city to serve humanity and needy peoples by its regular and devotional efforts. To provide health to all, it is important to have good equipment and well developed department. College has well-furnished Stree roga and prasuti department, having highly qualified Faculty members and doctors. Various ayurvedic procedures like yoni dhavan, pichudharan, uttar vasti karma are routinely done to treat the patient. Regular ANC check-up and proper guidance to pregnant women is also carried by the experts of Stree roga and Prasuti department.
