RECONSTITUTION OF STUDENT SUPPORT, CAREER GUIDANCE AND PLACEMENT CELL

In accordance with the provisions laid down in the NCISM Gazette Notification (F. No. BOA/2-C/2024) dated 2nd May 2024, Chapter III, point 27, the *Student Support, Career Guidance and Placement Cell* of GS Ayurveda Medical College & Hospital, GS University is hereby **reconstituted with immediate effect**.

The Cell has been functioning in the institution to provide structured support to students in matters relating to academic progress, personal development, counselling, career guidance and placement opportunities. The reconstitution is undertaken to further strengthen institutional mechanisms for student support services and professional guidance for students.

Functions of the Cell

The Student Support, Career Guidance and Placement Cell shall perform the following functions:

- To provide support and guidance to students in matters relating to **academic progress, social adjustment, emotional well-being and personal development**.
- To guide students regarding **career planning, higher education opportunities, research avenues and professional development**.
- To identify and disseminate information regarding **internships, fellowships, higher studies and employment opportunities** relevant to Ayurveda graduates.
- To organize **career counselling sessions, workshops, seminars, training programmes and guest lectures** for the overall development of students.
- To facilitate interaction between **students, faculty members, alumni and professionals** to enhance career awareness and professional exposure.
- To provide counselling support to students whenever required for their academic or personal concerns.
