Dear Students,

We would like to take this opportunity to welcome you to GS Ayurveda Medical College and Hospital. As you embark on this journey towards your academic and professional aspirations, we want to ensure that your experience at our institution is safe, comfortable, and free from any form of harassment or bullying.

As part of our commitment to maintaining a safe and healthy environment for all, we have established an Anti-Ragging Committee and Anti-Ragging Squad. These bodies have been constituted as per the guidelines of the Honorable Supreme Court of India, the University Grants Commission (UGC), and NCISM to prevent, prohibit and eliminate the scourge of ragging.

The Anti-Ragging Committee is composed of senior faculty members, administrative staff, and student representatives, while the Anti-Ragging Squad consists of faculty members and student volunteers. These groups work together to monitor and prevent any incidence of ragging on our campus.

We urge all students to refrain from engaging in any form of ragging, including physical, verbal, and psychological abuse, or any other activity that may cause physical or mental harm to fellow students. We also encourage you to report any such incidents to the Anti-Ragging Committee or Anti-Ragging Squad immediately.

Our institution has a zero-tolerance policy towards ragging, and any student found guilty of such misconduct will face strict disciplinary action, including suspension or expulsion from the institution, and legal action as per the law.

We are committed to providing a safe and nurturing environment that fosters learning and personal growth. Let us work together to create a respectful and welcoming community where every student feels valued and respected.

Sincerely,
